CWU MEN'S COACHING STAFF

DEAN NICHOLSON (Head Coach, 25th Year, 546-204)

Dean Nicholson, nationally recognized as one of America's outstanding basketball coaches, begins his 25th season at Central Washington University this winter.

Nicholson has won 546 games in his illustrious career. He joined the 500-victory club in Dec., 1986.

Nicholson has qualified teams for the NAIA basketball tournament in Kansas City a record 20 times.

Only twice in 24 years has he failed to win at least 20 games. (In 1983, CWU won 26 games, but later forfeited 19 of those). Five times he has guided teams into the NAIA Final Four, placing second in 1970, third in 1967, 1969 and 1987 and fourth in 1985.

His 1970 squad won 31 games, including a school-record 25 straight, and he was voted NAIA Coach-of-the-Year. In 1987, the 'Cats posted a school-record 32 wins and Dean was selected Northwest Small-College Coach-of-the-Year for the second time in his career. On seven different occasions he has been voted NAIA District 1 Coach-of-the-Year.

Nicholson has received numerous other honors during his illustrious coaching career. In 1970 he coached at the USA - Pan American Developmental Camp. He was the NAIA representative to the U.S. Olympic Basketball Committee and coached at the Olympic camp and trials in 1971 and 1972.

He was the head coach for AAU teams which toured South America in 1972 and 1973 and for the NAIA All-Star team in the Cup of Nations tournament in Colombia in 1974.

He was an assistant coach for the West team in the 1982 National Sports Festival in Indianapolis, Ind., and currently is a member of the NABC's Hall-of-Fame committee. A charter member of

the CWU Hall-of-Fame, he was inducted into the NAIA Hall-of-Fame in 1986, joining his father in that illustrious institution.

Nicholson and his father Leo are the winningest father-son coaching combination in the history of collegiate basketball with 1,051 victories. Leo won 505 games from the fall of 1929 before retiring in 1964.

Nicholson, 62, also enjoyed a great playing career at CWU. He earned all-conference honors four straight seasons in basketball, leading the Wildcats to a conference title in 1947 and their first NAIA national tournament berth in 1950.

He scored 1377 points which still ranks fifth on the school's all-time list. In 1950, he made 83 percent of his free throws, the sixth best single-season mark in school history.

Nicholson also lettered in tennis and baseball. He led the Evergreen Conference in hitting in 1950. Off the field, he was elected president of the student body.

After earning a bachelor of arts degree in 1950, he taught mathematics and served as the head basketball coach at Puyallup High School for 14

years, winning five Puget Sound titles and compiling a record of 188-100.

In the fall of 1964 he returned to Ellensburg after being named to succeed his father as head basketball coach. In addition to coaching basketball, he was the school's baseball coach in 1967 and tennis coach in 1965 and 1966 and from 1968 until 1978.

Nicholson, a professor of physical education, earned his masters degree from CWU in 1957. He also attended the University of Washington, Oregon State University, Seattle Pacific University and Western Washington University. In 1983 he was honored with CWU's Distinguished Teacher award.

Nicholson was born June 28, 1926 in Seattle. He graduated from Ellensburg High School in 1944 where he earned all-state honors in basketball and was a Yakima Valley tennis champion.

He and his wife, Charlene, were married June 18, 1948. They have two grown sons, Joel and Gary. Joel and his wife, Guille', made Dean and Charlene grandparents for the first time when son Christian was born Sept. 20, 1985.

Jack Miller, 35, will serve as Dean Nicholson's top assistant this winter for the eighth year. Miller is a valuable assistant for Nicholson, handling scouting duties in addition to helping on the court.

In Miller's first seven seasons at CWU, the 'Cats have won 168 games and lost just 58, a 74.3 winning percentage. He also served as CWU's women's volleyball coach for one year.

Miller is a 1975 graduate of the University of Idaho. He coached two years at Worley, Idaho, and three years at Bonners Ferry prior to coming to CWU. He earned in masters degree in education from CWU in 1983.

At Worley he led his team to a fourth-place finish in the 1977 state tournament and was nominated for North Idaho Coach-of-the-Year. His overall record for five seasons was 49-66.

Miller was born June 6, 1953, at Sandpoint, Idaho, and graduated from Clark Fork High School in 1971. He lettered in football, basketball and track. He then attended North

Idaho College and was the most inspirational award winner on the track team before transferring to Idaho.

During the off-season, Miller works for the United States Forest Service. He is the father of two boys, J.D., 8, and Devon, 6.

REESE RADLIFF (Assistant Coach, First Year)

Central's all-time single game assist leader, Reese Radliff will serve as an assistant basketball coach this winter while he completes work on his physical education degree.

Radliff played the 1982-83 and 1983-84 seasons at CWU. He had 166 assists in 1984 and 318 career assists. Both were schools records prior to the 1986-87 season when Joe Harris established new marks of 242 and 404. He set the single game record with 15 assists against Western Washington, Feb. 4, 1983.

After averaging 5.4 points in his junior year, Radliff improved that mark to 8.8 in his senior season, earning CWU's Most Inspirational award.

After completing his eligibility, he spent one

year in Australia playing professional basketball before returning to the Northwest.

Radliff graduated from Enumclaw High School in 1980 where he played for his father. He earned all-conference and all-state honors at Enumclaw, then played two seasons at Highline CC before enrolling at CWU.

Radliff was born in Enumclaw on July 14, 1962.

RICH SANDERS (Assistant Coach, First Year)

Rich Sanders, the head boys basketball coach at Hanford High School the past four seasons, will serve as a varsity assistant coach this winter while pursuing a master's degree at CWU.

Sanders compiled a won-loss record of 65-35 in four seasons at Hanford, leading the Falcons to the Mid-Valley League championship and a fifth place finish in

the 1986 state tournament.

He also was Hanford's girls head track coach for six seasons, compiling a 28-2 league record. His teams won five league and five district championships.

Sanders also served as a varsity assistant football coach for 10 years at Hanford. He coached junior varsity girls basketball for five seasons, ninth grade boys basketball for two years and ninth grade girls basketball for one year. Overall, his basketball teams have won a total of 178 games and lost 58.

Sanders graduated from Kamiakin High School in 1972 where he lettered in football, basketball and baseball. He earned all-conference honors in football and was the team captain and Most Inspirational award winner. In basketball, he was selected the Best Defensive Player.

He then attended Columbia Basin College, where he played one year of football, before completing his undergraduate work at Eastern Washington in 1977.

GARY SMITH (Athletic Trainer, 21st Year)

Gary Smith, 50, has been the athletic trainer at Central Washington University since 1968. He is in his 21st season with the Wildcats.

Smith, a past President of the NAIA Athletic Trainers Association, is a member of the NAIA Hall-of-Fame. He was elected for meritorious service and was inducted in March, 1985, during the NAIA national basketball tournament. He was only the second trainer so honored.

He is also a member of the NAIA Medical Aspects Committee and served as the head trainer for the 1984, 1986 and 1987 NAIA College Base-

ball World Series at Lewiston, Idaho.

Smith was born July 27, 1938, at Charlevoix, Mich., and graduated from Charlevoix High School in 1956. After a stint in the military, he attended North Central Michigan College, earning an associate of science degree in 1962.

He then enrolled at Northern Michigan University and was granted a bachelor of science degree in 1964. Smith received his masters of science degree from Indiana University in 1965.

1988-89 MEN'S BASKETBALL PREVIEW

Central Washington University, which failed to win the District 1 basketball championship for the first time since 1974 last year, will be out to reclaim the title this winter as Dean Nicholson begins his 25th season as head coach.

The Wildcats had a respectable 23-11 record and forced Western Washington University to the third game of the district championship series. Four starters return off last year's squad. Toss in two former NCAA Division 1 players and add a couple of outstanding junior college transfers and you have the makings of another excellent team.

The 'Cats were ranked eighth in the NAIA Coaches pre-season poll and were ranked ninth by Street and Smith in their annual basketball preview publication.

Nicholson, who has 546 career wins at CWU and has guided five teams into the NAIA Final Four, is optimistic. "We have the potential to have a darn good club," he said.

Among the returnees is Carl Aaron. The 6-6 senior forward from Detroit, Mich., posted All-American numbers a year ago - averaging 21.6 points and 7.8 rebounds per game. He shot 51.5 percent from the floor. In five of CWU's final eight games, Aaron scored 30 or more points.

Nicholson is moving Aaron from big to small forward. Aaron's forte is on offense. "He's an outstanding offensive player, but hopefully we won't have to rely on him as much this season," Nicholson said. "Carl also boards well and he can play defense. He's a complete player."

The move of Aaron to small forward enables Nicholson to move Dave Biwer (6-7, Sr., Kirkland - Juanita) to power forward to make room for Van Beard (6-9, Sr., Seattle - Garfield) at center.

Beard is making his fourth collegiate stop since earning MVP honors and leading Garfield to the AAA high school state championship in 1983. He previously has played at the University of Arizona, Nevada-Reno and Phillips (Okla.) University.

He stayed at Reno long enough to set a single-game school record for blocked shots (eight). "He gives us a defensive rebounding force we didn't have last year," Nicholson said. "He is a hard worker and can run floor for a big player."

Biwer averaged 7.5 points and 6.6 rebounds last year. He also had 87 offensive rebounds. An outstanding defender, Biwer had 45 steals and 33 blocks. He also ranked third on the team in assists with 75.

"Dave is an improved offensive player. You couldn't ask for any more than he gave us on the

boards and defensively last year," Nicholson said.

Also returning is Steve Evenson (6-7, Sr., Kirkland - Juanita). Evenson averaged 10.7 points and 4.8 rebounds, but shot just 39.4 percent.

Along with Biwer and Aaron, both starting guards also return - Bryan Gerig (6-3, 190, Sr., Bieber, CA) and Art Haskins (6-3, Sr., Tacoma - Mt. Tahoma).

Gerig led the team in assists with 141 and also averaged 5.6 points per game. Haskins, coming off a four-year layoff, ranked second on the team in scoring averaging 10.5 points.

Even when Gerig returns, he doesn't figure to move into the starting point guard slot because of the addition of Skagit Valley transfer Jim Toole (6-2, Jr., Bellevue - Sammamish). "We'll play Bryan more at small forward and off-guard," Nicholson said.

Toole hasn't played since the 1985-86 season when he averaged 13.8 assists at the Mt. Vernon school. He set a NWAACC record with 34 assists in one game. "Jim is one of the key additions," Nicholson said.

The off-guard position has also been strengthened with the addition of Jock White (6-4, Sr., Pasadena, CA). White previously played at New Mexico State, starting eight games in 1986-87 and averaging 5.4 points.

"He is a great basketball player," Nicholson said. "He can score, he's outstanding on defense and he passes well. He is a complete player and I look for him to be a leader for us."

Joining Gerig, Haskins, Toole and White in the guard picture are letterman Kelly Byrne (6-0, Sr., Shelton - Grays Harbor); JVer Craig Wise (6-0, So., Cashmere) and newcomers Alphonso Goldwire (Jr., Seattle - Chief Sealth), Al Griffin (6-2, Jr., Anchorage, AK - Bartlett & Pierce CC) and Stacy Everhart (5-11, Jr., Yakima - Davis & YVC).

Another off-guard or small forward possibility is Scott Kenney. From Elyria, Ohio and Walker College in Georgia, the 6-4 sophomore has been one of the big surprises in fall camp. "He might be our best athlete," Nicholson said. "He's quick, he jumps and shoots well. He needs to work on his defense, but its going to be hard to keep him out of the lineup."

Overall, Nicholson thinks the 'Cats will have more quickness, will be a better outside shooting team and better defensively than the 1987-88 team. The veteran coach doesn't, however, anticipate any major style changes.

LEO AND DEAN NICHOLSON: 1051 WINS AND COUNTING

Central Washington University keeps making history on the maplecourt. The Wildcats hold the record for most appearances and consecutive appearances in the NAIA national tournament. They've participated in 21 national tourneys, including nine in a row from 1974 to 1982.

In 78 seasons, Wildcat teams have won 1175 games and lost 718, a winning percentage of .621. Even more remarkable is the fact a father-and-son coaching combination is responsible for nearly 90 percent of the wins. Leo Nicholson coached 505 victories in 33 seasons winning nine conference titles before retiring in 1964.

Since 1964, son Dean has won 546 games. CWU won 14 Evergreen Conference titles and shared the WIBA championship in 1980 (its only year of existence) under the younger Nicholson's coaching.

The Nicholsons are the winningest father-son coaching combination in the history of college basketball with 1051 victories. The historic 1000th win came Dec. 12, 1986, when CWU defeated Northwest Nazarene 76-71 in a tournament at Whitworth College.

Dean joined his father in the exclusive 500 victory club on Jan. 6, 1987 when the Wildcats stopped Pacific Lutheran 70-53 at Nicholson Pavilion.

In district playoff competition, the 'Cats have won 57 games and lost 20 and have won 21 district titles, 20 in Dean Nicholson's 24-year tenure as head coach. The 'Cats won 19 straight district playoff games between 1976 and 1982.

CWU's 35 national tournament victories is just one less than the all-time record of 36 won by Hamline, Minn. Its 21 tournament appearances is

the all-time record. Peru State, Neb., is a distant second with 13.

CWU's best finish came in 1970 when it finished second and Nicholson was selected NAIA National Coach-of-the-Year. The 'Cats also finished third in 1967, 1969 and 1987 and fourth in 1985.

CWU has reached the quarterfinals of the national tournament in each of its last three appearances, twice earning a berth in the Final Four.

First team All-American honors have been won by three CWU players - Mel Cox in 1967, Paul Adams in 1970 and Rich Hanson in 1973. Thirteen other players have either won second team, third team or honorable mention honors.

In 1987, Ron vanderSchaaf was named to the second team and was later selected in the seventh round of the NBA draft by the World Champion Los Angeles Lakers.

CWU has had three coaches and administrators inducted into the NAIA Basketball Hall-of-Fame. Leo Nicholson was honored in 1964. Perry Mitchell, a long-time CWU administrator and former university president, was selected for his general contributions to NAIA sports. Dean Nicholson was inducted to the hall in 1986. Dean was named to the NAIA's 50th Anniversary all-star team in 1987.

Two Wildcat players have been tapped for special national tournament honors. Dave Benedict won the Charles Stevenson Hustle Award in 1967 and Dave Allen won the same award in 1970. The CWU team won the coveted James A. Naismith - Emil S. Liston Sportsmanship award in the 1967 tournament.

LEO NICHOLSON AWARD

In 1971 a group of Ellensburg businessmen purchased a trophy to be presented each year to the top small-college basketball team in the Pacific Northwest.

The trophy is awarded to the school determined to be the outstanding team by a panel of sportswriters, broadcasters and sports information directors, who also select a Coach-of-the-Year.

The award honors the memory of the late Leo Nicholson, who won 505 games at Central from 1930 to 1964.

Central, under the direction of Leo's son Dean, has won the award seven times and the younger Nicholson has been voted Coach-of-the-Year twice.

Central Alums In Many Fields

Central Washington has a rich tradition in producing many of the top high school basketball coaches in the Pacific Northwest, but the 'Cat basketball program has also produced many other fine graduates who have made their mark in other fields.

Dr. Fred Peterson, who played here from 1947 until 1950 and is CWU's 12th all-time leading scorer, runs a chiropractic clinic at College Place.

Other distinguished alums include Dr. Jack Graham, a psychology professor at San Diego State University; Hal Jones, a flight researcher manager at Boeing; Ed Rogel, a personnel manager for Weyerhaeuser; Leo Beck, superintendent of schools at West Valley in Spokane, and Byron Angel, an economic prognosticator for the state of Washington.

Joe LaDuca is the executive secretary for the Washington Horsebreeders Association. Others include Mitch Adams, an executive with the Xerox Corporation in Rochester, N.Y.; Paul Adams, a psychology teacher in Grand Rapids, Mich.; Jim Freer, an executive with Ernst and Whinney; and Bob Moawad, the founder and president of Edge Learning Institute.

Dave Oliver works for Rainier Bank in Seattle and Phil Fitterer, who was inducted into CWU's Hall-of-Fame last spring, publishes the Racing Form in Seattle.

CWU graduates currently in the coaching profession either as head coaches or assistants include:

1988-89 Women's Basketball Media Guide

CWU WOMEN'S COACHING STAFF

GARY FREDERICK (Women's Head Coach, Seventh Year, 106-72)

Gary Frederick, 51, begins his seventh season as CWU's women's basketball coach. He has also been CWU's athletic director since the fall of 1980.

In six previous seasons, his teams have won 106 games and lost 61. Last year CWU won a school-record 31 games and lost five and advanced to the NAIA national tournament in Kansas City for the first time in school history.

Frederick was named NAIA District 1 Coach-of-the-Year for the second time. He also won that honor in 1985 when CWU finished 19-8.

A native of Hoquiam, Frederick has a long affiliation with Central. After graduating from Raymond High School in 1955 where he was all-conference in football and baseball and lettered in basketball, he enrolled at CWU.

He lettered in football three years (1956-58) and earned second team all-conference honors in 1957 and first team honors in 1958 at offensive center.

He graduated in 1959 with a bachelor's degree in education and earned a master's degree in physical education from CWU in 1965. He received a doctorate in secondary education from Idaho in 1974. He also attended Whitman College.

Frederick coached basketball and baseball at Thorp High School (1959-60); football, basketball and track at Waitsburg High School (1960-63) and football and baseball at Central Kitsap (1963-67) before returning to Ellensburg in the fall of 1967.

From 1967 until 1983, he served as an assistant football coach and was head baseball coach from 1968 to 1978, three times being named NAIA District 1 Coach-of-the-Year. He is CWU's all-time winningest baseball coach with a record of 234-147.

He stepped down as baseball coach to take over the chairmanship of the physical education department in 1978. He gave up that job when he was named to succeed Adrian "Bink" Beamer as athletic director in Sept., 1980.

Frederick and his wife Bobbi were married in May, 1979. He has three adult sons by a previous marriage - Brooke, Rick and Rob. They have two children - Anna, 19, and David, 17.

Frederick was born July 16, 1937 at Hoquiam.

MARY ANN McCORD (Assistant Coach, Second Year)

Mary Ann McCord, CWU's Most Inspirational Player last season, will serve as an assistant coach this winter for the second year while completing her degree in physical education.

McCord graduated

from Hanford High School in 1983 where she lettered in basketball and track. She was Hanford's basketball team captain twice and was a sprinter in track.

She then played two seasons at Spokane Falls Community College before transferring to Central in the fall of 1985. She led the Wildcats in assists with 107 and also had 48 steals and averaged 2.7 points per game in the 1985-86 season.

McCord was born April 24, 1965 at Walnut Creek, Calif. She is planning a career in marketing and sales.

KEITH SATTERFIELD (Assistant Coach, Third Year)

Keith Satterfield is in his third season as a women's assistant basketball at CWU. He is also pursuing a master's degree in education.

He is a 1985 graduate of Central Washington University, earning a bachelor of arts degree in education. Prior to enrolling at CWU, he attended Wenatchee Valley College, earning an associate arts degree in 1984.

Satterfield graduated from Kentrige High School in 1979 where he earned letters in football, judo and track. At Wenatchee, he was a member of the tennis and skiing teams.

Satterfield served as an assistant tennis and track coach at Eastmont while attended Wenatchee. He also was an assistant women's track coach at CWU in 1986 prior to joining the basketball staff last winter.

Satterfield was born Sept. 14, 1960 at Seattle.

KAYLENE HANSON (Assistant Coach, First Year)

Kaylene (Krug) Hanson joins the CWU coaching staff this fall while she pursues a master's degree in education.

Hanson was a four-year letterman at Cle Elum High School, where she led the Warriors to three consecutive Washington State Class A basketball titles. She scored over 1,000 career points and was selected the Yakima Valley Female Athlete of the Year during her senior season.

She then played two years at Spokane Falls Community College and two years at Whitworth College where she earned a B.A. in education in 1987. At Whitworth, she led the district in blocked shots her junior season and ranked second during her senior campaign.

Following graduation she coached one season at Gary Middle School, leading her team to a record of 19 wins and one loss.

Kaylene was born Nov. 6, 1964 in Spokane. She married Eric Hanson on April 16, 1988.

NATALIE LONG (Head Junior Varsity Coach, First Year)

Natalie Long, a two-year starter for the Wildcats, joins the junior varsity coaching staff this winter while she completes work on her degree in law enforcement.

Long graduated from Hanford High School in 1984 where she lettered in basketball and track. In basketball, she earned first team all-league honors.

She then played two seasons at Spokane Falls before transferring to Central. She averaged 10.3 points and 5.4 rebounds her junior season. Last year, she averaged 9.8 points and ranked third on the team in rebounds averaging 5.9.

Long was born July 2, 1965 at Johnson City, Tenn. She is single.

1988-89 WOMEN'S BASKETBALL PREVIEW

Last winter Central Washington University's Lady Wildcats won their first ever NAIA District 1 basketball championship and qualified for the NAIA national tournament in Kansas City.

To repeat that feat they will have to overcome the loss of four starters to graduation, including District 1 all-star Kristelle Arthur, guards Lanette Martin and Kathy Alley and forward Natalie Long.

Martin (14.0 ppg) and Arthur (12.1 ppg) ranked second and third in scoring and between the four they contributed 44.2 points and 20.2 rebounds per game.

However, seven letter winners from last year's 31-5 club, headed by senior center Sonia Swan (5-10, Tacoma - Lincoln & Green River), return for the 1988-89 season.

Swan, who joined Arthur on the all-district squad, averaged 14.6 points per game to lead the 'Cats. She was second on the team with 8.1 rebounds per game, right behind Arthur (8.4 rpg).

Frederick's major concern is the ability to replace Arthur. "She played the point in our zone defense on the press and was a key ingredient in our defense," Frederick said. "And it will be hard to replace her jumping ability."

Among the returnees are guards Ellen Kernan (5-5, Sr., Kent - Kentridge & Highline CC), last season's district leader in three-point accuracy (54.2 percent) and Rachele Arthur (5-5, Sr., Port Townsend), and centers Kris Keeney-York (5-10, Sr., Pasco - Wenatchee Valley), Robin Carlson (6-1, So., Yakima - West Valley) and Nancy Katzer (5-9, Sr., Renton - Lindbergh & Green River).

At guard, Kernan and Arthur will be joined by Highline CC transfer Kathy Brumley, Tabatha Shields from Edmonds CC and a pair of Seattle University transfers, Kajsa Clark and Kris Surratt.

Kernan averaged 5.7 points per game and made 39 of 72 three-pointers and should pick up some of the offensive load. Rachele Arthur, who averaged 3.2 points in 1987-88, has shown tremendous improvement, particularly with her ball-handling skills.

Brumley (5-5, Jr., Federal Way) scored 14.8 points per game for Highline and earned second team NWAACC Northern Division all-star honors. "She's extremely quick and could be a vital player in our running game," Frederick said.

Shields (5-8, Jr., Seattle - Ingraham) was the MVP in the NWAACC's Northern Division. She ranked ninth in the league in scoring (16.9 ppg). "She has the tools to be an excellent offensive and

defensive player," Frederick said.

Clark (5-4, So., Colville), who scored 2.2 points per game last year for Seattle, has good quickness and is rated a strong defensive player.

Surratt (5-3, Sr., Bremerton) played two seasons at Seattle. She also has good quickness and works hard at both ends of the floor. At forward, top candidates include redshirt April Renne and junior college transfers Nikki Pusey and Tina Washington.

Renne (5-9, Jr., Richland - Hanford) played two seasons at Spokane Falls prior to redshirting. She was a first team East region all-star. A tough player defensively, she is also an excellent rebounder and shoots well, Frederick said.

Pusey and Washington both come in with excellent JC credentials. Pusey averaged 12.0 points and 7.2 rebounds for Wenatchee and was a first team East region all-star. Washington earned honorable mention all-league honors at Highline where she averaged six rebounds per game.

In the post, Swan returns for her senior season after earning honorable mention All-American honors last year. She's a great offensive rebounder. More than half (151 of 275) of her rebounds last year came off the offensive glass.

Joining Swan in the post picture are Linda Laughery (5-11, Jr., Walla Walla), Keeney-York, Katzer and Carlson. Laughery, a first team East Region all-star, averaged 18.6 points per game at Walla Walla CC and is their all-time leading scorer.

Keeney-York was a key player off the bench on last year's team, averaging 5.3 points and 3.1 rebounds. "We are expecting Kris to carry some of the offensive load inside."

Katzer, last year's Most Inspirational Player when she averaged two points and two rebounds per game, is what Frederick describes as a "momentum changer." She's very tenacious, is tough on the boards and plays excellent defense.

Carlson (6-1, So., Yakima - West Valley) split her playing time last year between the varsity and JVs. She led the JVs in scoring (14.7 ppg) and rebounding (10.7 rpg).

Carlson may be one of the most improved players. "She's more aggressive and isn't afraid to put the ball up," Frederick said. "She rebounds well and could be the big inside player we need."

Size is a problem for the 'Cats. "We won't be able to get in a halfcourt game with other teams. We'll press and run every chance we get and we play an 'in their face' type of defense," Frederick said. "We have lots of jets, but very few aircraft carriers."

Central Washington University

For nearly a century Central Washington University has provided quality education for the citizens of the state of Washington. It is one of six state-supported institutions offering baccalaureate and graduate degrees.

Originally known as Washington State Normal School, the institution became Central Washington College of Education in 1937, Central Washington State College in 1961 and Central Washington University in 1977.

Now CWU is considered one of the top smaller comprehensive universities in the country. Central earned that distinction when U.S. News & World Report published results of an extensive national survey of college presidents.

CWU tied for seventh place in the smaller comprehensive universities category for schools west of the Mississippi River and placed in the Top 15 in the nation.

Central is a residential university which offers one of the best living programs found anywhere. The accommodations, food and excellent staff provide for a rewarding experience.

Students have outstanding facilities for their learning experiences. More than half of the major campus buildings have been constructed since 1966. The excellent facilities do not stop with new buildings. Central has increased its total number of library holdings to 454,651. And campus technical facilities range from television studies to science laboratories.

The University's 350 acres include 100 class-

rooms in 21 academic halls and 28 student housing complexes. And Central's faculty has earned a reputation for academic quality and integrity. CWU's faculty are teachers above all else, and they take the time to meet the needs of their students.

Central, which was founded in 1891 with four teachers and 86 students, enjoys a setting convenient to the mountains in one direction and the desert in the other. Only minutes away through the surrounding farm and ranch lands of the Kittitas Valley are some of the best skiing and hunting in the state, as well as national parks, alpine lakes and meadows, wilderness areas and rushing rivers for fishing and floating.

Ellensburg is a small quite farming and ranching community which likes have a state university in its center.
